INSPECTION

At all official sales the Association shall appoint an Inspector/s who shall consider the points below. The associations Inspector is empowered to disbar any animal from the sale which does not comply with any of the matters contained in clauses 1 to 4 listed below.

The inspector shall consider the following points and is empowered to either disbar the animal from the sale or alternatively any faults found by the inspector

shall be declared to the auctioneer who shall announce these at the time of sale.

1. The teeth of the animal are in the correct position.
2. There is no abnormal deviation in the structure of feet and/or legs.
3. Ewes shall be sound in udder

Please consult the Rule Book in respect of teeth, feet (pasterns) and Ram markings. All Rams that fail either on markings or veterinary inspection must be removed from the sale.

All Rams must conform to the breed standard of uninterrupted and reasonably straight blaze, two to four white socks, two of which must be on the hind legs, discernible white tip on the tail which must not exceed more than 1/2 the way up its length and no white in the fleece, ears or belly.

Inspection is a condition of entry of the Association and compliance with this inspection shall in no way form a guarantee to the purchaser of the animals so inspected.

Breeders are also reminded that although the Association welcomes the presentation of untrimmed sheep at Association events, they should be presented in clean and tidy.

Summary;

- a) Only animals seen by the inspectors may be shown or sold
- b) Vendors will be told that their animal has either failed or passed inspection
- c) Rams that fail on markings cannot be sold through the ring
